

Oboe

First Fingering Chart

The chart displays the first fingerings for five notes: DO (B \flat), RE (C), MI (D), FA (E \flat), and SOL (F). Each note is represented by a musical staff with a treble clef and a single note. Below each staff is a vertical key diagram consisting of a series of circles representing keys. A horizontal line indicates the position of the first finger. A legend indicates that a solid black circle represents a key to be pressed, and a half-filled circle represents a half-hole. An inset image shows a close-up of the key mechanism. A detailed diagram of the oboe body is shown on the right, with lines connecting the key diagrams to the corresponding keys on the instrument. A note indicates that the left F key is available on some oboes.

DO (B \flat)

RE (C)

MI (D)

FA (E \flat)

SOL (F)

Legend: \bullet = key pressed, \circ = key not pressed, \bullet (half-filled) = half hole

Left F key available on some oboes
