Supplemental Page

Warm-up Drills

10 numbered musical drills for Baritone Saxophone, each on a single staff in 4/4 time. The drills are organized into two groups of five, separated by a double bar line. The first group (drills 1-5) is in the key of D major (one sharp), and the second group (drills 6-10) is in the key of B major (two sharps). Each drill consists of a sequence of eighth notes, often beamed in groups of four, with slurs indicating phrasing. The drills progress through various scales and patterns, including ascending and descending runs, and some include a final half note or whole note before the double bar line.
